May 5--Spring
Celebration

May 6--Planetarium field trip

May 30--Memorial Day Holiday

June 9--Last day of school

Spring is in the air! Please help us by reminding your child that we have over a month of school remaining and much more learning to do! It is important to complete homework assignments, read daily, practice the rainbow words and the quick recall of the math facts.

This is also a good time to review the dress code to make sure all attire is appropriate for school, including shoes. Flip flops are not appropriate for school.
