June 9--Last day of school

Homework

There will no more formal homework assignments this school year!! The first grade team has decided to end formal homework for this year due to MClass and math assessments. We would like to see all students rested and ready for testing. Please remember to read daily and continue to review the Letterland Words. These words are so important for reading and writing. MathStars and reading comprehension sheets are optional assignments.

Due to assessments and end of the year projects, we will not be using parent volunteers this month. Many, many thanks to the parents who have given their time to help us grow into the successful first graders we now are!
